

UNITED STATES DISTRICT COURT
MIDDLE DISTRICT OF FLORIDA
ORLANDO DIVISION

IN RE:

LENA MARIE LINDBERG

Case No. 6:21-mc-163-RBD-DCI

ORDER

Filings by *pro se* Plaintiff Lena Marie Lindberg are subject to prescreening as a vexatious litigant. (Doc. 1.) After U.S. Magistrate Judge Daniel C. Irick's last order found various filings frivolous, Lindberg appealed and moved to appeal *in forma pauperis*. (Doc. 18; Doc. 22 ("Motion").) On referral, Judge Irick entered a Report and Recommendation submitting that the Court should deny the Motion, as the appeal is not taken in good faith (Doc. 24 ("R&R").) The time has passed and no objections were filed, so the Court examines the R&R for clear error only. *See Macort v. Prem, Inc.*, 208 F. App'x 781, 784 (11th Cir. 2006). Finding none, the R&R is due to be adopted in its entirety.

Accordingly, it is **ORDERED AND ADJUDGED**:

1. The R&R (Doc. 24) is **ADOPTED AND CONFIRMED** and made a part of this Order in its entirety.
2. Lindberg's Motion (Doc. 22) is **DENIED**.
3. The Court **CERTIFIES** that the appeal (Doc. 18) is not taken in good

faith.

4. The Clerk is **DIRECTED** to notify the Eleventh Circuit of this Order.

See Fed. R. App. P. 24(a)(4)(A), (B).

DONE AND ORDERED in Chambers in Orlando, Florida, on August 16,
2023.

ROY B. DALTON, JR.
United States District Judge
